Guide to Weymouth

Hi, my name's Melaney

I moved into CV in March 2018 during a snow storm, the Beast from the East was raging, the roads were treacherous and 99% of the UK had batten down the hatches. But when I picked up the keys, I didn't care that this was a terrible day for driving down from London, moving house and starting a new life, it was the best day ever, hands down, no question.

My friends and family have been part of the adventure - decorating, breakfast tasting, thoughtful touches, they have been absolute legends and you'll probably meet some of them when you come to stay, they're here a lot (I've become quite popular since moving here!)

Being a Weymouth newbie has meant I have had the pleasure of finding places to eat, drink, hang out for myself, which means I've been to a lot of pubs, restaurants, cafes, tough gig I know. So I wanted to put together this guide to help my guests have an incredible stay in Weymouth at CV. If you like it and want to follow me on social channels to see updates, news and random stuff –

Award Winning

Weymouth Beach has been awarded a blue flag and a seaside award by environmental charity Keep Britain Tidy, two of our public gardens have won Green Flag awards, [Sunday Times](#) declared it the best beach in the UK and [daysoutwiththekids.co.uk](#) gave us the gold award for family seaside towns. Everyone loves Weymouth!

CV recommendations

When you visit a town for the first time, it's tricky to know what's good and where to head. Of course everyone has their own preferences, but I've done a recce and here are my personal recommendations for the best pubs, restaurants, ice cream, fish n chips, coffee, views. And please give me your recommendations too, I love to try new places and they might make the next guide

Where to start

If you're staying the weekend, you don't have time to waste blundering around (unless you want to), so here's a few itinerary ideas that have been tried and tested with friends and family. They include girls weekends, romantic breaks and family fun so you can fit in as much good stuff as possible

Disclaimer: Weather not guaranteed

SO FIRST THINGS FIRST....

....BEST PUB – [RED LION](#), HOPE SQUARE

This is a special pub as me, mum and dad found it when we were exploring Weymouth for the first time pre-move in and their team gave me the warmest welcome ever. They also have my fav wine, lovely pub grub, a huge outdoor area for summer and a warm fire for winter, literally a perfect pub

Girls weekend ideas

Day

- [Monart Spa](#) treatments
- [Jurassic jet ski tour](#)
- Walk to Bowleaze Cove via [The Lookout café](#), have a [private Sauna](#) overlooking the sea and hire [sunbeds with bar service](#)!
- Afternoon tea at [Wishing Well](#)
- Shopping down St Alban St

Evening

- Harbourside sundowners
- Cocktails at [Playyard](#) or [Caffeine](#) / 44
- Dinner at [Rockfish](#) (fish), [Bacaro](#) (Italian / pizza) or [Red Lion](#) (pub grub)
- Weybiza pubs and bars for live music
- [The Closet](#) for late drinks and dancing

← BEST ICE-CREAM – [ROSSI'S](#), THE ESPLANADE

Not sure what they put in it, but it tastes like nothing else. This comes with a Steven warning – my first summer, he swooped from behind and stole the flake clean out of the cone, so beware

BEST FISH N CHIPS – [BENNETTS](#), OVER THE HARBOUR BRIDGE →

Best place to eat them is on the benches outside Bennetts overlooking the harbour, although this comes with another Steven warning (again, from personal experience)

BEST WHOLE BAY VISTA – THE LOOKOUT CAFE, BOWLEAZE COVEWAY

It's at the top of a steep hill, but its worth the climb, you can see the Osmington, Bowleaze cove, Weymouth bay and Portland in one go. Treat yourself to the view, coffee and cake or smashed avo on toast

BEST CHANNEL VISTA – OLIVETO, PIER BANDSTAND, ESPLANADE

There are several reasons to book Oliveto – it's staggering distance from CV, the Italian food is delicious, service is delightful, but the biggest pull is the incredible sea view from almost every table. Stunning at sunset when the sail boats are out

BEST HARBOUR VISTA – VINOLO / QUAYSIDE / THE GEORGE

The harbour is the buzziest place during Summer as all the bars and restaurants are maximising the outside space and creating a fun al fresco experience. People and boat watching is literally compulsory during your stay – for cheese and wine, Vinolo; for seafood, Quayside bar and kitchen; for steak or paella, The George bar and grill

BEST KEPT SECRET – DUMPLINGS AND BUNS AT MARRIA'S

Proper real fresh homemade Chinese dumplings and buns in a cafe on Westham rd. Would choose these as my last meal on death row

BEST CRAB SANDWICH – HAMILTONS, BRUNSWICK TERRACE →

Yes, best crab sandwich, but I need to give a nod to everything about Hamilton's as it's one of my most favourite places ever. Lunch, dinner, coffee, wine, ice cream, cake, staff, location, it's all amazing and I'm so chuffed they're my neighbours. They are also my supplier of the sandwiches and cakes for the CV Happy Hamper

BEST AFTERNOON TEA – WISHING WELL, UPWEY

This place is so special, I cannot recommend it enough and don't want to spoil the surprise by saying too much here. The gardens are wonderful, but also a kids hide n seek dream, the tea and cakes on vintage crockery are truly lovely, the service is amazing and the hot lunches are delicious. It's slightly outside of Weymouth in the chocolate box village of Upwey (thatched cottages, big church and small roads), so need to drive / cab. A real treat

BEST BOAT TRIPS - MOONFLEET TALL SHIP, PORTLAND MARINA → / RIB CHARTER BAY BLAST

You can usually spot Moonfleet in Weymouth Bay from CV, just look for her three sails. You can bring a picnic and join in with the sailing on a 2 hour or day long trip around the Jurassic Coast 🚤. The captain and his crew know everything about the area, so feel free to ask questions. And the Bay Blast is 20 minutes of pure speed and joy. They play 80's rock, perform donuts and you might get a bit wet, but it's awesome. Head to the pier by Bennetts to book

BEST MASSAGE – BREEZE, ST EDMUNDS ST

There are some beautiful day spas near Weymouth, but I'm loyal to Breeze for my monthly pamper. It's in town, the staff are so lovely and they are reasonably priced. I can personally recommend the Swedish massage, but they also do beauty treatments such as facials, lashes, waxing and nails #becauseyoureareallyworthit

BEST RESTAURANT FOR FISH – CRAB HOUSE CAFÉ, FERRYMAN'S WAY →

So so many reasons, they're award winning, they have their own onsite oyster farm, crabs come with hardware tools, bibs and buckets and they have a heated outside dining area and beautiful garden overlooking the estuary. My fav #hammertime

FOR MEAT – SAMBO, ESPLANADE

A Brazilian rodizio so bring your loose pants. Really good quality food but be ready for meat sweats

FOR LUNCH – PASCAL'S BRASSERIE, HOPE SQUARE

Intimate and lovely, delicious soupe de poisson

FOR FANCY DINNER – LES ENFANTS TERRIBLE, CUSTOM HOUSE QUAY

Tried, tested and tres formidable. Chef Eric brings all the personality too, it's quite an experience!

FOR INFORMAL DINNER – SEABEATS, ESPLANADE

The chef owner comes from Crabhouse Café, nuff said. Also, awesome sushi, lobster linguine and affogatos

FOR ASIAN CUISINE – MONA'S, ST MARYS ST / MING WAH, ST THOMAS ST / CHILLI'S, QUEENS ST / MYRA'S KAISEKI, HIGH EAST ST, DORCHESTER

- Mona's is authentic Thai food – eat in or takeaway. It's small so book ahead
- Ming Wah is Chinese with old school lazy susans and fortune cookies
- Chilli's is indian and has modern décor, delicious food and good service
- Myra's Kaiseki is my latest favourite find as I love sushi and ramen. This place is incredible and worth the trip to Dorch

BEST RESTAURANT FOR SPECIAL OCCASIONS – CATCH AT THE OLD FISH MARKET

This place is above Weyfish fishmongers in the harbour, it's very special and included in the Michelin Restaurant Guide, the only one in Weymouth and one of only handful in Dorset! I need more birthdays

FOR BIG GROUPS – DORSET BURGER COMPANY, KING ST

DBC is a cool big building with large wooden tables and loads of different burgers including vegan options

FOR INTIMACY – HALL'S KITCHEN, ST MARYS ST

Family run, award winning, every meal here has been perfect. Definitely pre-book as it's so popular

FOR DORCH – AL MOLO, HIGH WEST ST, DORCHESTER

They've moved this fab Italian from The Pier Bandstand to Dorchester, but it's still the same lovely service, menu and atmosphere

LAST BUT NOT LEAST, THE STRIP – ROCKFISH, THE NOOK, KIKA, BACARO ↓

These places are prime location on the sea front and provide excellent food and drink as well as some late night options

- Rockfish is Mitch Tonks place, good for kids and different daily catch of the day (with a surprise in the loos!)
- Kika is tapas (the new menu is amazing) and cocktails with gorgeous décor and big tables for parties
- The Nook is cocktails and DJ's, fun for pre-vening drinks outside and dancing after hours
- Bacaro is a solid Italian with great risottos and are very good at fitting you in without reservations

BEST COFFEE / TEA – [FINCA](#), ST THOMAS ST

Loads of coffee beans to pick from, friendly staff, cool interior, great for people-watching and having a pit stop mid-shop, plus the best tiffin ever

BEST BEACH BAR - [THE BOAT CAFE-BAR](#)

Only place actually on Weymouth beach and views across the sands and Jurassic coast. You can get ice-cream, chips, coffee or beers here whilst keeping one eye on the kids playing on the sands (although I'm afraid this comes with yet another Steven warning)

BEST SUNRISE GOES TO.....CV OBVS ↓
I'm not bias, it's just facts

- Walk round Nothe Gardens then lunch at [Nothe Tavern](#) followed by drinks at [Red Lion](#)
- Cheese and wine (fondue in winter!) at [Vinolo](#)
- Harbour sundowners watching the bridge lift with fish n chips

BEST LIVE MUSIC – tricky to choose, because the amount of live music here is epic. Buskers in Hope Square and round the harbour, Sunday afternoons in Greenhill Gardens, Finn's rock pub, Karen on Sundays (4-7pm) at The Royal Oak, but my top tips have to be [The Belvedere Inn](#) (known for their band nights and the beer garden is pretty cool too), [Duke of Cornwall](#) (always buzzing) and Saturday evenings at the [Stone Pier Café](#) (live music as the sun goes down does not get better than this)

BEST FOR HARBOUR FUN...THE HARBOUR WALL! →

You *can* sit inside a harbour pub, but why miss the sun set, the bridge lift, the fishing boats coming in and soaking up the marina vibes? Grab a pint from the pub and takeaway seafood from [Hatch](#) and find a sunny spot on the wall

BEST SUNDAY LUNCH - [NOTHE TAVERN](#), NOTHE FORT →

It's a lovely pub serving lovely food with a lovely view of the harbour every day, but on Sunday's, bloody Mary's, roast dinners and red wine

BEST DESSERT SHOP

Once again, I've selflessly taken one for the team and this time, I've been researching the dessert shops that are literally everywhere at the moment. Here's the results of a tough week eating and drinking sugar:

[W2 milkshake - bubble tea - gelato / Drink inc.](#) for bubble tea

[Suttons Coffee Shop](#) for homemade cakes

[Baboo](#) beach kiosk for milkshakes

[Naughty Fork Desserts](#) for cookie dough

[Creams Cafe Dorchester](#) if you're in Dorchester

[Good Life Café](#) for afternoon tea

BEST BAR – DEPENDS ON WHAT TICKLES YOU

[Nook](#) for DJ dancing, [Kika](#) for alfresco Esplanade drinks, [Playyard](#) for cocktails, [Closet](#) for gay friendly fun, [Vinolo](#) for wine, [The Dog House](#) microbrewery for real ale, [Finn's](#) for it's rock jukebox, [44](#) secret cocktail club for vodka martini's, [Dry Dock](#) for alcohol free nights, [Convivial Rabbit](#) in Dorch for independent local beers and ales
